

## **WORKERS' COMPENSATION/NO-FAULT PATIENTS**

Our cancellation policy states that 24 hours advance notice is required for all cancellations.

The patient may be discharged from physical therapy for the following reasons:

- 3 or more appointments are missed with less than 24 hours notice
- The patient fails to contact our office in the event of a missed appointment

Your physician and insurance company will be notified of the reason for your discharge. Please sign below as an understanding of our policy.
